(d) all Indebtedness of the Sellers (other than obligations with respect to capitalized leases that are Assigned Contracts);

(o) any liability relating to any Product that is or has been manufactured, tested, distributed, held or marketed by or on behalf of any Seller arising from any recall, withdrawal or suspension (whether voluntarily or otherwise), except to the extent that such recall, withdrawal or suspension results from Purchaser's operation of the Business or the Acquired Assets following the Closing; and

(p) all intercompany accounts payable, liabilities and obligations that are owed or payable to any Seller as to which any Seller is an obligor or is otherwise responsible or liable.

Section 1.5. Assignment of Assigned Contracts.

(a) Section 1.5(a) of the Seller Disclosure Schedule sets forth with respect to each Contract of the Sellers, the Sellers' good-faith estimate of the amount required to be paid with respect to each Contract to cure all monetary defaults under such Contract to the extent required by Section 365(b) and otherwise satisfy all requirements imposed by Section 365(d) of the Bankruptcy Code (the actual amount of such costs with respect to the Assigned Contracts, the "Cure Costs"). Prior to the Sale Hearing, the Sellers shall commence appropriate proceedings before the Bankruptcy Court and otherwise take all reasonably necessary actions in order to determine the Cure Costs with respect to any Assigned Contract entered into prior to the Petition Date, including, the right (subject to Section 5.1 hereof) to negotiate in good faith and litigate, if necessary, with any Contract counterparty the Cure Costs needed to cure all monetary defaults under such Assigned Contract. Notwithstanding the foregoing, prior to the Designation Deadline, the Purchaser may identify any Assigned Contract that the Purchaser no longer desires to have assigned to it in accordance with Section 1.5(e).

(b) To the maximum extent permitted by the Bankruptcy Code and subject to the other provisions of this Section 1.5, on the Closing Date, the Sellers shall assign the Assigned Contracts pursuant to Section 365 of the Bankruptcy Code and the Sale Order, subject to the provision of adequate assurance by the Purchaser as may be required under Section 365 of the Bankruptcy Code and payment by the Purchaser of the Cure Costs, in respect of the Assigned Contracts.

(c) To the maximum extent permitted by the Bankruptcy Code and subject to the other provisions of this Section 1.5, the Sellers shall assume and transfer and assign all of the Acquired Assets to the Purchaser and the Purchaser shall assume all of the Acquired Assets from the Sellers, as of the Closing Date, pursuant to Sections 363 and 365 of the Bankruptcy Code. Notwithstanding any other provision of this Agreement or in any Ancillary Document to the contrary, this Agreement shall not constitute an agreement to assign any asset or any right thereunder if an attempted assignment without the consent of a third party, which consent has not been obtained prior to the Closing (after giving effect to the Sale Order and the Bankruptcy Code), would constitute a breach or in any way adversely affect the rights of the Purchaser or the Sellers thereunder.

(d) Notwithstanding anything in this Agreement to the contrary, to the extent that the sale, transfer, assignment, conveyance or delivery or attempted sale, transfer, assignment, conveyance or delivery to the Purchaser of any asset that would be an Acquired Asset or any claim or right or any benefit arising thereunder or resulting therefrom is prohibited by any applicable Law or would require any consent from any Governmental Entity or any other third party and such consents shall not have been obtained prior to the Closing (after giving effect to the Sale Order and the Bankruptcy Code), the Closing shall proceed without any reduction in Purchase Price without the sale, transfer, assignment, conveyance or delivery of such asset unless there is a failure of one or more of the conditions set forth in Article VI; in

which case, the Closing shall proceed only if each failed condition is waived by the party entitled to the benefit thereof. In the event that any failed condition is waived and the Closing proceeds without the transfer or assignment of any such asset, then following the Closing, each of the Purchaser and each of the Sellers shall use its reasonable best efforts, subject to any approval of the Bankruptcy Court that may be required, and shall cooperate with the other parties, to obtain such consent as promptly as practicable following the Closing. Pending the receipt of such consent, the parties shall, subject to any approval of the Bankruptcy Court that may be required, reasonably cooperate with each other to provide the Purchaser with all of the benefits of use of such asset. Once consent for the sale, transfer, assignment, conveyance or delivery of any such asset not sold, transferred, assigned, conveyed or delivered at the Closing is obtained, the Sellers shall promptly transfer, assign, convey and deliver such asset to the Purchaser. To the extent that any such asset cannot be transferred or the full benefits or use of any such asset cannot be provided to the Purchaser, then as promptly as practicable following the Closing, the Purchaser and the Sellers shall enter into such arrangements (including subleasing, sublicensing or subcontracting), and shall reasonably cooperate with each other to provide the Purchaser with all of the benefits of use of such asset. The Sellers shall hold in trust for, and pay to the Purchaser, promptly upon receipt thereof, all income, proceeds and other monies received by the Sellers derived from their use of any asset that would be an Acquired Asset in connection with the arrangements under this Section 1.5(d). The parties agree to treat any asset the benefits of which are transferred pursuant to this Section 1.5(d) as having been sold to Purchaser for Tax purposes to the extent permitted by Law. Each of the Sellers and Purchaser agrees to notify the other parties promptly in writing if it determines that such treatment (to the extent consistent with the relevant arrangement agreed to by such Seller and Purchaser pursuant to this Section 1.5(d)) is not permitted for Tax purposes under applicable Law. Where such treatment is not so permitted, and subject to the terms of any relevant arrangement agreed to by Sellers and Purchaser pursuant to this Section 1.5(d) (and without duplication of any such Taxes economically borne by Purchaser or any of its Affiliates pursuant thereto), Purchaser shall indemnify and hold harmless the applicable Seller for any Taxes imposed on such Seller or any of its Affiliates with respect to any such Acquired Asset for any Post-Closing Tax Period (determined on a “with and without” basis).

(e) Notwithstanding anything in this Agreement to the contrary, the Purchaser may, in its sole and absolute discretion, amend or revise Section 1.1(c) of the Seller Disclosure Schedule setting forth the Assigned Contracts, in order to add any Contract to, or eliminate any Contract from, such schedule at any time during the period commencing from the date hereof and ending at the end of the Auction (or if no Auction occurs, the date that is two (2) Business Days before the commencement of the Sale Hearing) (the “Designation Deadline”). Automatically upon the addition of any Contract to Section 1.1(c) of the Seller Disclosure Schedule, it shall be an Assigned Contract for all purposes of this Agreement. Automatically upon the removal of any Contract from Section 1.1(c) of the Seller Disclosure Schedule it shall be an Excluded Asset for all purposes of this Agreement, and no liabilities arising thereunder shall be assumed or borne by the Purchaser.

Section 1.6. Purchase Price; Deposit Funds.

(a) In consideration for the Acquired Assets, the Purchaser shall, in addition to the assumption of the Assumed Liabilities by the Purchaser, pay the following amounts (the "Purchase Price"):

(i) (x) one hundred eighty five million five hundred fifty thousand dollars (\$185,550,000) in cash, *minus* (y) the Cure Costs Deduction, *minus* (z) the GTN Adjustment Amount (the "Cash Consideration"), net of any Deposit Funds paid to the Parent at the Closing pursuant to Section 1.6(b)(i), which Cash Consideration shall be paid to the Parent on behalf of the Sellers at the Closing; and

(ii) an amount in cash (the "Severance Consideration") to the Parent on behalf of the Sellers equal to the lesser of (x) fourteen million four hundred fifty thousand dollars (\$14,450,000) and (y) the amount of severance obligations (inclusive, for the avoidance of doubt, of any payments and benefits in respect of any notice periods under the Worker Adjustment and Retraining Notification Act (and any similar state or local Law) (all such laws collectively, the "WARN Acts") and any other termination benefits), plus any employer portion of payroll taxes due in respect of such obligations and benefits, that are both (A) payable to any employee of the Sellers who either (1) is an "Eligible Employee" under the severance pay plan of the Parent on the Closing Date and has not received on or before the third (3<sup>rd</sup>) Business Day following the Auction an offer from BH or its Affiliate for employment commencing on the Closing Date that meets the requirements set forth in Section 5.14, (2) is an "Eligible Employee" under the severance pay plan of the Parent on the Closing Date, is a Relocation Employee and has received, prior to the Closing Date, and rejected (including by not performing services for BH or its Affiliates as of the Closing Date) an offer from BH or its Affiliate for employment commencing on the Closing Date that meets the requirements set forth in Section 5.14 or (3) is a WARN Relocation Employee and has received, prior to the Closing Date, and rejected (including by not performing services for BH or its Affiliates as of the Closing Date) an offer from BH or its Affiliate for employment commencing on the Closing Date that meets the requirements set forth in Section 5.14, and (B) administrative expenses in the Chapter 11 Case pursuant to Sections 503(b)(1) and 507(a)(2) of the Bankruptcy Code; *provided, however*, that in the event that the Sellers are not authorized to pay severance to employees at the Closing pursuant to the Sale Order, the Purchaser shall instead deposit the Severance Consideration into an escrow account for the benefit of the employees entitled thereto, to be paid to such employees upon the earlier of (X) the Sellers' emergence from bankruptcy or (Y) Bankruptcy Court approval, with any remaining unused funds being remitted to the Purchaser following payment of all severance obligations.

If the Closing shall occur, at the Closing, the Purchaser and the Parent shall provide joint written instructions, executed by their respective authorized representatives under the Escrow Agreement, to the Escrow Agent that instruct the Escrow Agent to release the Deposit Funds to the Parent on the Closing Date. The Deposit Funds received by the Parent shall be applied at the Closing toward the payment of the Cash Consideration portion of the Purchase Price.

(b) Within three (3) Business Days of the entry of the Bidding Procedures Order, subject to the execution of an escrow agreement reasonably acceptable to the Sellers and

the Purchaser (the “Escrow Agreement”), with an escrow agent reasonably acceptable to the Sellers and the Purchaser (the “Escrow Agent”), the Purchaser shall deposit into escrow with the Escrow Agent an amount equal to eighteen million five hundred thousand dollars (\$18,500,000) (such amount, together with all interest and other earnings accrued thereon, the “Deposit Funds”), by wire transfer of immediately available funds pursuant to the terms of the Escrow Agreement. The Deposit Funds shall be released by the Escrow Agent and delivered to either (x) the Purchaser or (y) the Parent on behalf of the Sellers, as follows:

(i) if the Closing shall occur, the Deposit Funds shall be applied towards the portion of the Purchase Price payable by Purchaser to the Parent pursuant to Section 1.6(a)(i) hereof;

(ii) if this Agreement is terminated by the Sellers (A) pursuant to Section 7.1(b)(iii) or (B) pursuant to Section 7.1(a) in any circumstance where the Purchaser is not entitled to terminate pursuant to Section 7.1(a) because the failure of the Closing to occur results from the failure of the Purchaser to materially perform its obligations under Section 5.3 required to be performed by it at or prior to the Closing, in each case unless at the time of such termination the Purchaser would have been entitled to terminate this Agreement and has given prior written notice to the Sellers of such claimed right, then the Deposit Funds shall be delivered to the Parent; or

(iii) if this Agreement is terminated other than in a manner provided by Section 1.6(b)(ii), the Deposit Funds shall be delivered to the Purchaser.

Section 1.7. Withholding. Notwithstanding anything to the contrary in this Agreement, BH and the Purchaser shall be entitled to deduct and withhold from any consideration payable hereunder such amounts as are required to be deducted and withheld with respect thereto under the Code or any other Tax Law. To the extent that amounts are so deducted and withheld, such amounts shall be treated for all purposes of this Agreement as having been paid to the person in respect of which such deduction or withholding was made. Notwithstanding the foregoing, the Purchaser shall consult with the Sellers in good faith prior to withholding any amounts payable to the Sellers promptly, and in any event no later than five (5) Business Days prior to the Closing Date, notify the Sellers in writing if the Purchaser determines that any withholding or deduction is required under the Code or any applicable Law with respect to any portion of payment to the Sellers, and provide the Sellers with reasonable opportunity to provide such forms or other evidence that would eliminate or reduce any such required deduction or withholding. The Purchaser further acknowledges that no such deduction or withholding in respect of Taxes is anticipated as of the date hereof.

Section 1.8. Designation Rights. Notwithstanding anything in this Agreement to the contrary, the Purchaser reserves the right to designate any asset as an Acquired Asset or Excluded Asset under this Agreement by the Designation Deadline, and (x) automatically upon the addition of any asset to Section 1.1(a)-(p) of the Seller Disclosure Schedule prior to the Designation Deadline, such asset shall be an Acquired Asset for all purposes of this Agreement, and (y) automatically upon the addition of any asset to Section 1.2(a)-(o) of the Seller Disclosure Schedule prior to the Designation Deadline, such asset shall be an Excluded Asset for all purposes of this Agreement.

Section 1.9. Purchase Price Allocation. The parties agree to allocate for Tax purposes (and, as applicable, to cause their respective Affiliates to allocate for Tax purposes) the Purchase Price (as adjusted to take into account any payments pursuant to Section 1.10 as applicable) and any other amounts treated as additional consideration for Tax purposes among the Acquired Assets in accordance with the following procedures and, to the extent applicable, in accordance with Section 1060 of the Code, the Treasury Regulations promulgated thereunder. The parties agree that no more than \$45,000,000 will be allocated to those certain licensing, development, and commercialization agreements with Cipher Pharmaceuticals, Inc. and Shandong Luoxin Pharmaceutical Group Stock Co., Ltd. and other Intellectual Property located outside of the United States (the “Non-US Asset Allocation”). Within ninety (90) days after the Closing Date, BH shall deliver to Parent a proposed allocation of the Purchase Price (as adjusted to take into account any payments pursuant to Section 1.10 as applicable) and any other amounts treated as additional consideration for Tax purposes as of the Closing Date (the “Purchaser’s Allocation”). No later than thirty (30) days following the delivery of the Purchaser’s Allocation, Parent may deliver to BH a statement setting forth in reasonable detail any objections thereto, the basis for such objections, and Parent’s proposed allocation (“Sellers’ Allocation Notice”). If Parent timely delivers to BH a Sellers’ Allocation Notice, Parent and BH shall, during the twenty (20) days following such delivery, use commercially reasonable efforts to reach agreement on the disputed items or amounts. The Purchaser’s Allocation, if no Sellers’ Allocation Notice is timely delivered, or as adjusted pursuant to any agreement between the Parent and BH during the twenty (20)-day period following the timely delivery of Sellers’ Allocation Notice (the “Allocation”) shall be final and binding on the parties; provided, that if Sellers’ Allocation Notice is timely delivered and Parent and BH are unable to reach agreement within such twenty (20)-day period, they shall not be required to reach agreement, and each party shall file its respective Tax Returns in accordance with such allocation as it determines to be correct and consistent with applicable Law. If an Allocation is determined pursuant to the foregoing provisions of this Section 1.9, each of the parties (a) shall (and shall cause its Affiliates to) prepare and file all Tax Returns (and Internal Revenue Service Forms 8594) in a manner consistent with the Allocation and (b) shall not (and shall cause its Affiliates not to) take any position on any Tax Return or in connection with any Tax proceeding inconsistent with the Allocation, in each case, except to the extent otherwise required by a “determination” within the meaning of Section 1313(a) of the Code (or any analogous provision of applicable state, local or non-U.S. Law).

Section 1.10. GTN Receivables. No later than five (5) Business Days prior to the anticipated Closing Date, the Sellers shall provide the Purchaser with their good faith estimate of GTN Receivables as of the Closing. The parties shall cooperate in good faith to resolve any dispute regarding such estimate, and shall work to update such estimate to arrive at a final and agreed calculation of GTN Receivables as of the Closing Date. In the event that the parties fail to reach agreement as to such final calculation as of the Closing Date, the amount of Cash Consideration payable at Closing shall be calculated using the Purchaser’s good faith calculation of GTN Receivables and the parties shall submit the dispute as expeditiously as practicable (and in any event within thirty (30) days) to a mutually agreeable, nationally recognized accounting firm for resolution, the costs and fees relating to which shall be borne fifty percent (50%) by the Sellers and fifty percent (50%) by the Purchaser. In the event that such accounting firm’s final calculation of GTN Receivables differs from the amount used in calculation of Cash Consideration pursuant to the preceding sentence, the Sellers or the Purchaser, as applicable,

shall make prompt payment to the other in the amount of such difference, which shall be deemed for all purposes hereof to be an adjustment to the Purchase Price.

Each Seller is qualified to do business and is in good standing (with respect to jurisdictions that recognize such concept) as a foreign corporation or other entity in each jurisdiction where the ownership, leasing or operation of its assets or properties or conduct of its business requires such qualification, except where the failure to be so qualified or, where relevant, in good standing, has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Sellers have made available to BH and the Purchaser a complete and accurate copy of the organizational documents of each Seller as in effect on the date hereof. None of the Sellers is in violation of any of the provisions of its certificate of incorporation and bylaws (or equivalent organizational documents), in each case, except for violations that have not and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Section 3.4. No Violations. Except as described in Sections 3.3 and 4.3, neither the execution, delivery or performance of this Agreement and the Ancillary Documents by the Sellers nor the consummation by the Sellers of the transactions contemplated hereby or thereby will (a) conflict with or result in any violation or breach of any provisions of the certificate of incorporation, bylaws or other organizational documents of any Seller, (b) with or without notice or lapse of time or both, conflict with or result in any breach or violation of or constitute a default or change of control under, or give rise to a right of, or result in, termination, modification, cancellation, first offer, first refusal or acceleration of any obligation or to the loss of a benefit under any Contract to which any Seller is a party or by or to which any of their respective properties, rights or assets are bound or subject, (c) result in the creation or imposition of any Encumbrance on any Acquired Asset other than (i) with respect to the execution and delivery of this Agreement, Permitted Pre-Closing Encumbrances and (ii) with respect to the execution and delivery of the Ancillary Documents and with respect to the performance of this Agreement and the Ancillary Documents and the consummation of the transactions contemplated hereby and thereby, the Permitted Post-Closing Encumbrances or (d) conflict with or violate any Order or Law applicable to any Seller or their respective properties, rights or assets, except in the case of the foregoing clauses (b), (c) and (d), for breaches, violations, defaults, rights, creations or impositions that (y) have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or (z) are excused by or unenforceable as a result of the entry or effectiveness of the Sale Order.

Section 3.5. Financial Statements; Books and Records.

policies and procedures that: (a) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Parent, (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and that receipts and expenditures are being made only in accordance with authorizations of management and directors of the Parent and (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the assets of the Parent that could have a material effect on the financial statements. Since January 1, 2016, the Parent's principal executive officer and its principal financial officer have disclosed to the Parent's auditors and the audit committee of the Parent's Board of Directors (which disclosure (if any) and significant facts learned during the preparation of such disclosure have been made available to BH and the Purchaser prior to the date hereof) (i) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting, (ii) any fraud, whether or not material, that involves management or other employees and (iii) any claim or allegation regarding any of the foregoing. Since January 1, 2016, neither the Parent nor any Subsidiary of the Parent has received any material, unresolved, complaint, allegation, assertion or claim regarding the accounting or auditing practices, procedures, methodologies or methods of the Parent or any Subsidiary of the Parent or their respective internal accounting controls.

(c) The Books and Records maintained with respect to the Business and used in the preparation of the Financial Statements accurately and fairly reflect, in all material respects, the transactions and the assets and liabilities of the Sellers with respect to the Business.

### Section 3.6. Title to Property; Sufficiency of Assets.

(a) The Sellers have good and marketable title to, a valid leasehold interest in or all rights to use, all of the Acquired Assets, free and clear of all Encumbrances other than Permitted Pre-Closing Encumbrances. Upon the entry and effectiveness of the Sale Order, the Sellers will have the power and right to sell, assign, transfer, convey and deliver, as the case may be, to the Purchaser the Acquired Assets, and at the Closing, the Sellers will sell, assign, transfer, convey and deliver to the Purchaser good and marketable title to, or, in the case of personal property leased by the Sellers, a valid leasehold interest in, or all rights to use, the Acquired Assets, free and clear of all Encumbrances other than Permitted Post-Closing Encumbrances.

(b) After giving effect to Section 1.5(c) and Section 1.5(d), the Acquired Assets together with the Excluded Assets (x) constitute all of the material assets, rights and properties used by the Sellers and their Affiliates in the conduct of the Business, and (y) are sufficient to conduct the Business in all material respects as it is conducted on the date hereof.

### Section 3.7. Absence of Certain Changes.

(a) From December 31, 2017 through the date hereof: (i) the Business has been conducted in all material respects in the ordinary course of business consistent with past practice and (ii) none of the Sellers has taken any action that, if taken after the date hereof, would constitute a breach of, or require the consent of BH or the Purchaser under, Section 5.1.

(b) From December 31, 2017, there has not occurred any Effect that has had, or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 3.8. Brokers or Finders. Other than Centerview Partners, none of the Sellers has employed or engaged any investment banker, broker or finder who is entitled to any fee or any commission in connection with this Agreement, the Ancillary Documents or the transactions contemplated hereby or thereby. A true and complete copy of the engagement letter with Centerview Partners has been made available to BH and the Purchaser prior to the date hereof.

Section 3.9. Litigation. Except as would not, individually or in the aggregate, have a Material Adverse Effect and except for the Chapter 11 Case, there are no Actions pending or, to the Knowledge of the Sellers, threatened against the Sellers or any of their respective properties, rights or assets by or before, and there are no orders, judgments or decrees of or settlement agreements with, any Governmental Entity.

Section 3.10. Intellectual Property.

(a) Section 3.10(a) of the Seller Disclosure Schedule sets forth a true and complete list, as of the date hereof, of each item of Seller Registered Intellectual Property and any Product IP that is Registered Intellectual Property, including the current owner, the jurisdiction in which each item has been registered or filed, the applicable registration, application or serial number or similar identifier, the filing date, and the applicable issuance, registration or grant date.

(b) The Sellers exclusively own all right, title and interest in and to all Seller Intellectual Property, including all Seller Registered Intellectual Property, free and clear of any Encumbrances, except for Permitted Pre-Closing Encumbrances. Following the Closing, the Purchaser will exclusively own, all right, title and interest in and to all Seller Intellectual Property, including all Seller Registered Intellectual Property, free and clear of any Encumbrances, except for Permitted Post-Closing Encumbrances. Without limiting the generality of the foregoing, all Seller Intellectual Property is fully transferable, alienable and licensable by the Sellers, and following the Closing, will be fully transferable, alienable and licensable by the Purchaser without restriction and without payment of any kind to any third party. No Seller Intellectual Property, or to the Knowledge of the Sellers, Product IP, is or was subject to any Action or settlement agreement that restricts in any material respect the use, provision, transfer, assignment or licensing thereof, as the case may be, by any Seller or that may affect the validity, ownership, use or enforceability of any material Seller Intellectual Property or, to the Knowledge of the Sellers, material Product IP. Each item of Seller Registered Intellectual Property is subsisting, and to the Knowledge of the Sellers, not unenforceable or invalid.

(c) No Seller is a party to or has initiated or threatened in writing any Action that challenges the legality, validity, enforceability, registration, use or ownership of a third party's Intellectual Property.

(d) No Seller has granted or transferred (or is obligated to grant or transfer) to any Person or is obligated to permit any Person to retain an ownership interest, including any joint ownership interest, or any exclusive rights in any Intellectual Property that is or was material Seller Intellectual Property.

(e) No Actions are pending or, to the Knowledge of the Sellers, threatened against any Seller alleging that any Seller is infringing, misappropriating, diluting or otherwise violating the Intellectual Property of any Person. Neither the operation of the Business, nor any Product (i) infringes or misappropriates (or has in the past infringed or misappropriated to the extent there is any current liability therefor or a liability is reasonably expected to arise) any Intellectual Property of any Person and (ii) following the Closing will (when conducted in substantially the same manner by the Purchaser), infringe or misappropriate any Intellectual Property of any Person, in each case except as would not result in any material liability to any of the Sellers. Since January 1, 2016, no Seller has received any written offer to license or notice from any Person that would reasonably be construed to be claiming that the operation of the Business, or any Product, conflicts with, infringes or misappropriates any Intellectual Property of any Person or constitutes unfair competition or trade practices under the Laws of any jurisdiction.

(f) Since January 1, 2016, no Seller has brought, or threatened in writing to bring, any Action against a third party alleging infringement or misappropriation of any material Seller Intellectual Property.

(g) In each case in which a Seller has engaged or hired an employee, consultant or contractor (whether current or former) for the purpose of developing or creating any material Intellectual Property, such Seller has obtained an assignment or transfer of all such Intellectual Property to such Seller or otherwise is the owner of such Intellectual Property by operation of Law. Each Seller has taken commercially reasonable actions to maintain and protect Trade Secrets in its possession that are material Intellectual Property of the Sellers or any third party. To the Knowledge of the Sellers, there has been no unauthorized disclosure of any Trade Secrets that are material Seller Intellectual Property.

(h) Section 3.10(h) of the Seller Disclosure Schedule sets forth a true and complete list of all Contracts that grant any Seller a license (including covenants not to sue), ownership rights, or other rights in or to (1) any material Product IP or (2) any other Intellectual Property or technology (including any software) owned by a third party that is material to the operation of the Business, other than Ordinary Course Licenses. Section 3.10(h) of the Seller Disclosure Schedule sets forth a true and complete list of all material Contracts to which any Seller is a party under which such Seller grants any third party a license (including covenants not to sue) or other rights in or to any material Seller Intellectual Property, other than non-exclusive licenses pursuant to written agreements entered into in the ordinary course of business consistent with past practice (the foregoing, together with the Ordinary Course Licenses, the “IP Contracts”).

(i) The consummation of the transactions contemplated hereby will not result in (i) a material breach, violation, modification, cancellation, termination, or suspension of any rights under the IP Contracts set forth on Section 6.3(c) of the Seller Disclosure Schedule, (ii) the

grant of (or requirement to grant) any material license, covenant not to assert, release, agreement not to enforce or prosecute, or other immunity to any Seller Intellectual Property (or any Intellectual Property of BH or the Purchaser) to any Person, or (iii) BH or the Purchaser being obligated to pay any material royalties, or other material amounts, to any third party in excess of those payable by, or required to be offered by, any of them, respectively, in the absence of this Agreement or the transactions contemplated hereby.

(j) All IP Contracts set forth on Section 6.3(c) of the Seller Disclosure Schedule are fully transferable and assumable by Purchaser pursuant to the transactions contemplated hereby and shall remain in full force and effect following the Closing in accordance with their terms, and, as of immediately after the Closing, the Purchaser will be entitled to exercise all of the Sellers' rights under all IP Contracts to the same extent as prior to the Closing.

Section 3.11. Privacy and Data Protection.

(a) Since January 1, 2016, each Seller's receipt, collection, maintenance, transmission, use, analysis, disclosure, storage and disposal of Protected Information and, to the Knowledge of Sellers, any such activities performed by authorized third parties on such Seller's behalf, has complied in all material respects with (i) applicable Information Privacy and Security Laws and (ii) all applicable policies and procedures (which meet or exceed applicable industry standards) adopted by the Sellers relating to Protected Information, including the Privacy Statements. The Sellers have executed Business Associate Agreements (as such agreements are defined in HIPAA) with any Business Associate (as defined in HIPAA), in compliance with HIPAA. The Sellers have obtained all material consents and authorizations necessary to receive, access, use and disclose the Protected Information in their possession or under their control in connection with the operation of the Business. Since January 1, 2016, the Sellers have complied in all material respects with their published privacy policies as in effect from time to time.

(b) Since January 1, 2016, there has been no material data security breach or unauthorized access to, as the case may be, any of Seller's material systems, networks or information technology that transmits or maintains Protected Information or other incidents involving the unauthorized access, acquisition, use or disclosure of any Protected Information, owned, used, maintained or controlled by a Seller, including any such unauthorized access, acquisition, use or disclosure of Protected Information that would, to the Knowledge of the Sellers, constitute a breach for which notification to individuals and/or Governmental Entities is required under any applicable Information Privacy and Security Laws or Contracts to which any Seller is a party. To the Knowledge of the Sellers, none of the Sellers' vendors, suppliers and subcontractors, or the Sellers, have (i) suffered any breach that has resulted in any unauthorized access to, use of, disclosure of or other loss of any Protected Information, (ii) materially breached any Contracts with any Seller relating to Protected Information or (iii) materially violated any Information Privacy and Security Laws.

(c) Since January 1, 2016, the Sellers have implemented and maintained a written information security program reasonably designed to (i) identify and address material internal and external risks to the security of any proprietary or confidential information in its possession, including Protected Information, (ii) implement administrative, technical and

physical safeguards to control such risks and (iii) maintain notification procedures in compliance with applicable Information Privacy and Security Laws in the case of any applicable breach of security compromising data containing Protected Information. The Sellers have made available to BH and the Purchaser true and complete copies of all currently effective privacy policies under which any Seller collects, uses or stores any Protected Information.

(d) Since January 1, 2016, no Person has (i) provided a written notice or audit request to any Seller, (ii) made any written claim against any Seller or (iii) to the Knowledge of the Sellers, commenced any Action against any Seller or any party acting on behalf of a Seller, in each case, with respect to (A) any alleged violation of Information Privacy and Security Laws by any Seller or any authorized third party acting on any Seller's behalf or (B) any of the Sellers' privacy or data security practices, including any loss, damage or unauthorized access, acquisition, use, disclosure, modification or other misuse of any Protected Information maintained by or on behalf of any of the Sellers. No Person has provided a complaint (written or otherwise) to a Seller, nor, to the Knowledge of the Sellers, to any third party, regarding the improper disclosure of Protected Health Information (as defined in HIPAA) by any of the Sellers. Except as has not been and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, the execution, delivery, and performance of this Agreement will not cause, constitute, or result in a breach or violation of any contractual obligation of the Sellers relating to Protected Information.

(b) Section 3.12(b) of the Seller Disclosure Schedule sets forth a complete and correct list, as of the date hereof, of each Contract pursuant to which any Seller leases, subleases or occupies any real property (the "Leases"). Complete and correct copies of the Leases have been made available to BH and the Purchaser prior to the date hereof. (c) In connection with and without limiting the foregoing, the Sellers shall give any notices to third parties required under the Assigned Contracts, and each of the Sellers shall use reasonable best efforts to obtain third-party consents to any Assigned Contracts that are set forth on Section 6.3(c) of the Seller Disclosure Schedule or otherwise necessary to consummate the Acquisition.

(e) Notwithstanding the foregoing, the obligations of the parties hereto to obtain any consent, approval or waiver from the Bankruptcy Court shall be governed exclusively by Section 5.7, Section 5.8, Section 5.9, Section 5.10 and Section 5.11.

Section 5.4. Further Assurances. In addition to the provisions of this Agreement, from time to time after the Closing Date, the Sellers, BH and the Purchaser shall use reasonable best efforts to execute and deliver such other instruments of conveyance, transfer or assumption, as the case may be, and take such other action as may be reasonably requested to implement more effectively the conveyance and transfer of the Acquired Assets to the Purchaser and the assumption of the Assumed Liabilities by the Purchaser; *provided*, that nothing in this Section 5.4 shall (a) require the Sellers or any of their Affiliates to make any expenditure or incur any obligation on their own or on behalf of the Purchaser (unless funds in the full amount thereof are advanced to the Sellers in cash) or (b) prohibit the Sellers or any of their Affiliates from ceasing operations or winding up its affairs following the Closing. In furtherance and not in limitation of the foregoing if, following the Closing, any Seller (x) receives or becomes aware that it holds any asset, property or right which constitutes an Acquired Asset, then Sellers shall transfer such asset, property or right to the Purchaser and/or, as applicable, one or more designees of the Purchaser as promptly as practicable after the Closing for no additional consideration, and pending such conveyance the parties shall reasonably cooperate with each other to provide the Purchaser with all of the benefits of use of such asset, property or right and (y) receives any payment on accounts receivable included in the Acquired Assets, such Seller

shall hold such payment in trust and promptly (and in any event within two (2) Business Days) pay the amount thereof to the Purchaser. If, following the Closing, the Purchaser receives or becomes aware that it holds any asset, property or right which constitutes an Excluded Asset, then the Purchaser shall transfer such asset, property or right to the Sellers as promptly as practicable for no additional consideration, and pending such conveyance the parties shall reasonably cooperate with each other to provide the Sellers with all of the benefits of use of such asset, property or right.

Section 5.5. Assets Held by Affiliates of the Sellers. To the extent that any other Person that is an Affiliate of a Seller owns or has rights to any assets (including any Assigned Contracts) that is or would be an Acquired Asset if a Seller owned or had rights to such assets, the Sellers shall cause such Person to promptly transfer such asset, property, Assigned Contract, or right to a Seller, and, upon such transfer, such asset, property or right shall be deemed to be an Acquired Asset under this Agreement for all purposes as if owned by the Sellers on and as of the date hereof.

Section 5.6. Debtors-in-Possession. From the commencement of the Chapter 11 Case through the Closing, the Sellers shall continue to operate their business as debtors-in-possession pursuant to the Bankruptcy Code.

Section 5.7. The Sale Motion and Bidding Procedures Motion. On December 12, 2018, the Sellers filed a sale motion with the Bankruptcy Court (the "Sale Motion") and a bidding procedures motion with the Bankruptcy Court (the "Bidding Procedures Motion"), both in form and substance reasonably acceptable to the Purchaser and the Sellers (and Sellers shall use their reasonable best efforts to cause the Bankruptcy Court to enter a corresponding Order or Orders, including the Bidding Procedures Order in substantially the form of Exhibit A hereto, the Sale Order (provided the Purchaser is the Successful Bidder) in substantially the form of Exhibit E and otherwise in form and substance reasonably acceptable to BH, the Purchaser and the Sellers) and in any event seeking the following relief from the Bankruptcy Court:

(a) authorization of the sale of the Acquired Assets to the Successful Bidder (including the assignment of the Assigned Contracts), as applicable, free and clear of all Encumbrances and other interests, other than Permitted Post-Closing Encumbrances;

(b) subject to the Bidding Procedures, approval of the proposed purchase agreement between the Sellers and the Successful Bidder;

(c) authorization of the Sellers to cause the Closing to occur as soon as practicable after the entry of the Sale Order;

(d) because the Purchaser and its Affiliates have expended considerable time and expense in connection with this Agreement and the negotiation thereof, and the identification and quantification of assets to be included in the Acquired Assets, approval of the Expense Reimbursement Amount (solely to the extent payable under this Agreement) as an administrative priority expense under sections 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code;

(e) a finding that the provisions of this Agreement, including Section 7.2 were a material inducement to the Purchaser to enter into this Agreement and are designed to achieve the highest or otherwise best offer for the Acquired Assets;

(f) approval of the Bidding Procedures and entry of the Bidding Procedures Order substantially in the form of Exhibit A attached hereto, or otherwise in form and substance reasonably acceptable to the Purchaser, no later than January 4, 2019; and

(g) scheduling the bid deadline to take place no later than February 23, 2019, and the Auction to take place no later than February 26, 2019; and

(h) scheduling the Sale Hearing to take place no later than March 1, 2019.

Section 5.8. Sale Order. The Sale Order shall be substantially in the form attached hereto as Exhibit E or otherwise in form and substance reasonably acceptable to the Purchaser and the Sellers and shall include the following findings of fact, conclusions of Law and ordering provisions:

(a) find that the Notice of Sale, and the parties who were served with copies of such Notice of Sale, were in compliance with Sections 102 and 363 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, and 9014 and any other applicable provision of the Bankruptcy Code, the Bankruptcy Rules, or any local bankruptcy rule governing the sale of assets free and clear of Encumbrances and other interests;

(b) find that all requirements imposed by Section 363(f) of the Bankruptcy Code for the sale of the Acquired Assets free and clear of Encumbrances and other applicable interests, other than Permitted Post-Closing Encumbrances, have been satisfied;

(c) find that the Purchaser is a purchaser of the Acquired Assets in “good faith” pursuant to Section 363(m) of the Bankruptcy Code, and the sale is entitled to the protections of Section 363(m);

(d) find that the Purchaser and the Sellers did not engage in any conduct which would allow this Agreement to be set aside pursuant to Section 363(n) of the Bankruptcy Code;

(e) find that the consideration provided by the Purchaser pursuant to this Agreement constitutes reasonably equivalent value and fair consideration for the Acquired Assets;

(f) approve this Agreement and the consummation of the sale upon the terms and subject to the conditions of this Agreement;

(g) order that, as of the Closing Date, the transactions contemplated by this Agreement effect a legal, valid, enforceable and effective sale and transfer of the Acquired Assets to the Purchaser and shall vest the Purchaser with title to such assets free and clear of all Encumbrances (except for Assumed Liabilities and Permitted Post-Closing Encumbrances);

(h) (A) authorize the Sellers to assume and assign to the Purchaser each of the Assigned Contracts, and (B) find that, subject to the terms of the Sale Order and the payment of Cure Costs and provision of adequate assurance of future performance by the Purchaser, as of the Closing Date, the Assigned Contracts will have been duly assigned to the Purchaser in accordance with Section 365 of the Bankruptcy Code;

(i) find that neither the Purchaser nor any of its Affiliates is acquiring any of the Excluded Assets or assuming any of the Excluded Liabilities;

(j) order that the Assigned Contracts will be transferred to, and remain in full force and effect for the benefit of, the Purchaser, notwithstanding any provision in any such contract or any requirement of applicable Law (including those described in Sections 365(b)(2) and 365(f) of the Bankruptcy Code) that prohibits, conditions, restricts or limits in any way such assignment or transfer;

(k) find that the Purchaser has satisfied all requirements under Sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code to provide adequate assurance of future performance of the Assigned Contracts;

(l) approve any other agreement to the extent provided by this Agreement;

(m) except as expressly set forth in the Sale Order, enjoin and forever bar the non-debtor party or parties to each Assigned Contract from asserting against the Purchaser or any Affiliate or designee of the Purchaser: (i) any default, action, liability or other cause of action existing as of the date of the Closing, whether asserted or not, and (ii) any objection to the assumption and assignment of such non-debtor party's Assigned Contract (except to the extent any such objection was sustained by the Order of the Bankruptcy Court);

(n) find that, to the extent permitted by applicable Law, none of the Purchaser nor any Affiliate of the Purchaser nor any designee of the Purchaser is a successor to the Sellers or the bankruptcy estate by reason of any theory of Law or equity, and none of the Purchaser nor any Affiliate of the Purchaser nor any designee of the Purchaser shall assume or in any way be responsible for any liability of the Sellers or the bankruptcy estate, except as otherwise expressly provided in this Agreement;

(o) provide that the Sellers are authorized to consummate the transactions contemplated by this Agreement and to comply in all respects with the terms of this Agreement;

(p) be made expressly binding (based upon language reasonably satisfactory to the Purchaser) upon any trustee or other estate representative in the event of conversion of the Chapter 11 Case to Chapter 7 of the Bankruptcy Code, or upon appointment of a Chapter 11 trustee in the Chapter 11 Case;

(q) enjoin assertion of any Excluded Liabilities against the Purchaser or any of its Affiliates or any assignees, designees, transferees or successors thereof or against any of the Acquired Assets; and

(r) order that, notwithstanding the provisions of Federal Rules of Bankruptcy Procedures 6004(h) and 6006(d), the Sale Order is not stayed and is effective immediately upon entry.

Section 5.9. Cooperation with Respect to Bankruptcy Court Approvals. The Purchaser shall take such actions as are reasonably requested by the Sellers to assist in obtaining entry by the Bankruptcy Court of the Bidding Procedures Order and the Sale Order, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for purposes of, among other things: (a) demonstrating that the Purchaser is a “good faith” purchaser within the meaning of Section 363(m) of the Bankruptcy Code; and (b) establishing “adequate assurance of future performance” within the meaning of Section 365 of the Bankruptcy Code.

Section 5.10. Non-Solicitation of Competing Bids. Except in connection with marketing the sale of the Acquired Assets to Potential Bidders (as defined in the Bidding Procedures) in accordance with the Bidding Procedures Order (once entered by the Bankruptcy Court), the Sellers shall not, and shall cause their Representatives, Affiliates, and their Affiliate’s Representatives not to, (i) solicit, negotiate or discuss with any Person (other than BH, the Purchaser and their respective Affiliates, agents and Representatives) (and the Sellers shall, and shall cause their Representatives, Affiliates, and their Affiliate’s Representatives, to cease immediately any such ongoing activity), or enter into any agreement or understanding with respect to, or approve or recommend, or knowingly facilitate, any sale, transfer or disposition, directly or indirectly, whether by means of an asset sale or otherwise, of any material assets of the Sellers used in the conduct of the Business, any sale of stock, equity or voting interests in any of the Sellers, any merger, amalgamation, reorganization, restructuring, plan of reorganization, liquidation or refinancing, or any other extraordinary corporate transaction directly or indirectly involving the Sellers or a material portion of the Sellers’ liabilities (any such transaction, an “Alternative Transaction”) or (ii) provide any Person (other than BH, the Purchaser and their respective Affiliates, agents and Representatives) with access to the books, records, operating data, contracts, documents or other information relating to the Sellers. The Sellers shall promptly (and in any event within twenty-four (24) hours) notify BH and the Purchaser of any inquiry, indication of interest, proposal or offer from a third party with respect to an Alternative Transaction received by the Sellers or any of their Affiliates or its or their employees or Representatives after the date hereof until the Bankruptcy Court shall have entered the Bidding Procedures Order, and the Sellers shall communicate to BH and the Purchaser the material terms of, including the identity of the Person or Persons making, any such inquiry, indication of interest, proposal or offer. The Sellers shall immediately instruct any Person in possession of confidential information about the Sellers that was furnished by or on behalf of the Sellers in connection with any actual or potential Alternative Transaction to return or destroy all such information or documents or material incorporating such information in accordance with the confidentiality or similar agreement governing treatment of such confidential information. The Sellers shall not be deemed to have violated or breached their obligations set forth in the first sentence of this Section 5.10 solely as a result of their receipt, without engaging in any of the conduct prohibited by such sentence, of an unsolicited Alternative Transaction proposal.

Section 5.11. Bankruptcy Court Filings. The Sellers shall consult with the Purchaser concerning the Bidding Procedures Order, the Sale Order and any other Orders of the Bankruptcy Court relating to the transactions contemplated herein, and the bankruptcy

proceedings in connection therewith, and provide BH and the Purchaser with copies of any material applications, pleadings, notices, proposed Orders and other documents to be filed by the Sellers in the Chapter 11 Case that relate in any way to this Agreement, the Acquisition, the Bidding Procedures, BH or the Purchaser at least two (2) Business Days prior to the making of any such filing or submission to the Bankruptcy Court. The Sellers shall provide BH and the Purchaser with prompt notice of (A) the filing or any objection to (or any threat or notice of intention of any Person to file any objection to) this Agreement, the Acquisition, the Bidding Procedures, BH or the Purchaser or (B) the commencement of (or any threat or notice of intention of any Person to commence), any action, suit or proceeding, whether at law or in equity or by or before any Governmental Authority or in arbitration, that relates in any way to this Agreement, the Acquisition, the Bidding Procedures, BH or the Purchaser.

Section 5.12. Not a Back Up Bidder. The Bidding Procedures shall exclude the Purchaser from any obligation to act as a Backup Bidder (as defined in the Bidding Procedures) following the Auction (if any) in the event that the Purchaser is not selected as the Successful Bidder.

Section 5.13. Communications with Customers and Suppliers. Prior to the Closing, BH and the Purchaser shall not, and shall cause their respective Affiliates and Representatives not to, contact, or engage in any discussions or otherwise communicate with, the Sellers' customers, suppliers, licensors, licensees and other Persons with which the Sellers have material commercial dealings without obtaining the prior consent (not to be unreasonably withheld, conditioned or delayed) of the Sellers (other than (i) any such communication in the ordinary course of business of BH, the Purchaser or their Affiliates not initiated for a purpose related to the Business, the Acquired Assets, the Assumed Liabilities or the transactions contemplated by this Agreement and whereby neither BH nor the Purchaser communicates any nonpublic proprietary information related to the Business, the Acquired Assets or the Assumed Liabilities, or (ii) any communication by BH or the Purchaser, acting in good faith, with the suppliers or manufacturers of the Sellers to the extent related to integration planning).

Section 5.14. Employee Matters.

(a) The Sellers shall cause to be paid in the ordinary course of business (but in no event later than the Closing) to all Transferred Employees (i) who are eligible for any Benefit Plan that is a sales incentive plan, the full amount of any unpaid sales incentive bonuses accrued for such Transferred Employees in respect of the fourth quarter of 2018 and payable to such Transferred Employees pursuant to the applicable Benefit Plan, or (ii) who are eligible for any Benefit Plan that is an annual bonus plan, the full amount of any annual bonuses payable to such Transferred Employees under the applicable Benefit Plan in respect of 2018, if any. As of the Closing, the Sellers shall cause to be paid to all Transferred Employees: (1) the full amount of any unused paid time off/vacation/sick time of each such Transferred Employee that is accrued on the books and records of the Sellers through the Closing; and (2) any retention bonuses otherwise payable to any such Transferred Employees under an applicable Benefit Plan. The Sellers shall adopt, in the ordinary course consistent with past practice and in consultation with BH, reasonable sales targets that relate to the first calendar quarter of 2019 for purposes of the Benefit Plans that are sales incentive plans. At Closing, the Sellers shall deliver to BH a schedule setting forth, for each Transferred Employee who participates in a Benefit Plan that is a

sales incentive plan, each unpaid sales incentive bonus accrued for such Transferred Employee in accordance with the applicable Benefit Plan in respect of the period from January 1, 2019 through the Closing Date (each, a “Q1 2019 Sales Bonus”). BH shall cause each Q1 2019 Sales Bonus to be paid to the applicable Transferred Employee no later than May 15, 2019, subject to the applicable Transferred Employee’s continued employment with BH and its Affiliates through the applicable payment date.

(b) BH or one of its Affiliates shall use their reasonable best efforts to provide an offer of employment to such number of individuals employed by the Sellers (“Business Employees”) set forth on Section 5.14(b) of the Seller Disclosure Schedule (the employees identified to Sellers by BH or its Affiliates to receive such offers, the “Offer Employees”), in the same position the Business Employee held as of the date of such employment offer, such offer to be made no more than three (3) Business Days following the Auction (a “BH Offer”). Each offer of employment shall provide that employment with BH or one of its Affiliates shall commence effective as of the Closing, subject to the Offer Employee’s continued employment with Sellers through the Closing and conditioned upon the Closing. Each Offer Employee who accepts the offer of employment delivered pursuant to this Section 5.14(b) shall be deemed a “Transferred Employee” as of the Closing.

(c) During the period commencing on the Closing Date and ending on the first anniversary thereof, BH shall or shall cause one of its Affiliates to provide each Transferred Employee with (i) a wage rate or base salary that is no less favorable than that in effect for such Transferred Employee immediately prior to the Closing, (ii) a target annual bonus opportunity that is no less favorable than that provided to the Transferred Employee prior to the Closing, and (iii) employee benefits (excluding equity incentive compensation and severance) that are, in the aggregate, no less favorable than those in effect for similarly situated employees of BH and its Subsidiaries.

(d) BH shall, or shall cause one of its Subsidiaries to, provide to each Transferred Employee full credit for such Transferred Employee’s service with the Sellers or any of their respective Affiliates prior to the Closing for all purposes, including for purposes of eligibility, vesting, benefit accruals and determination of the level of benefits (including vacation, severance and retirement benefits, but excluding equity incentives), under any benefit plan of BH or its Subsidiaries in which such Transferred Employee participates on or following the Closing (the “New Plans”) to the same extent recognized by the Sellers or any of their respective Affiliates immediately prior to the Closing; *provided*, that such service shall not be recognized (i) to the extent that such recognition would result in a duplication of benefits or coverage, (ii) with respect to any New Plan that provides defined benefit pension or post-retirement welfare benefits, or (iii) with respect to any New Plan that is grandfathered or frozen or under which similarly situated employees of BH and its Subsidiaries do not receive service credit. In addition, and without limiting the generality of the foregoing, (A) for purposes of each New Plan providing medical, dental, pharmaceutical or vision benefits to any Transferred Employee, BH or its applicable Subsidiary shall use its commercially reasonable efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such Transferred Employee and his or her covered dependents, unless such conditions would not have been waived under the equivalent Benefit Plan in which such Transferred Employee participated immediately prior to the Closing (such Benefit Plans collectively, the

“Old Plans”) and (B) BH or its applicable Subsidiary shall use commercially reasonable efforts to cause any eligible expenses incurred by such Transferred Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the date such employee’s participation in the corresponding New Plan begins to be taken into account under such New Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Plan. Sellers will, or will cause the applicable Benefit Plan provider to, provide to BH or its applicable Subsidiary or its group health plan provider on, or as promptly as practicable following, the Closing Date, all information required by BH and its group health plan provider to (1) ensure health, dental and vision plan administration in compliance with this Section 5.14(d), and (2) comply with the obligations of BH and its Subsidiaries under Section 4980B of the Code, Sections 601 through 608 of ERISA, and any similar applicable state Law (collectively, “COBRA”) to provide group health plan coverage to current and former employees of Sellers (and their beneficiaries) who constitute “M&A qualified beneficiaries” within the meaning of the COBRA regulations.

(e) At least ten (10) days prior to the Auction, BH or its Affiliate shall provide a list to Seller setting forth (i) the name of each Offer Employee and (ii) for any Offer Employee whose offer of employment from BH or its Affiliate is not expected to provide for employment in the same facility or location in which such employee worked prior to the applicable offer of employment (or for a sales employee, is not expected to cover the same sales territory that the sales employee covered immediately prior to the applicable offer of employment), the new facility, location or sales territory being offered by BH or its Affiliate to such Offer Employee. With respect to any Business Employee who is not identified by BH and its Affiliates as an Offer Employee or who is identified as a WARN Relocation Employee, the Sellers shall, in each case to the extent required by the WARN Acts, provide written notice of termination of employment (in a form and manner compliant with the WARN Acts to the extent possible), within three (3) Business Days following the conclusion of the Auction (or if no Auction occurs, within three (3) Business Days following the bid deadline established by the Bidding Procedures).

(f) Nothing in this Section 5.14 shall constitute or be construed (i) as an amendment, termination or other modification of any employee benefit or compensation plan or arrangement, or a restriction or other limitation on the right of any party hereto to amend, terminate or otherwise modify any such plans or arrangements, (ii) as a guarantee of employment for any period, or a restriction or other limitation on the right of any party hereto to terminate the employment of any individual at any time, or (iii) to create any third party rights in any Person other than the direct parties to this Agreement, including any current or former service provider of the Sellers (or any beneficiaries or dependents thereof).

#### Section 5.15. Parent Confidentiality Agreements; Post-Closing Confidentiality.

(a) Sellers and BH hereby agree that the Confidentiality Agreement shall terminate, and no party shall have any further obligations thereunder, effective concurrently with the Closing.

(b) Effective at the Closing, the Parent hereby assigns to the Purchaser the rights under the Parent Confidentiality Agreements to enforce the non-use, non-disclosure and return or destruction of "Confidential Information" (as such term is defined in the Parent Confidentiality Agreements) to the extent related to the Business, the Acquired Assets and the Assumed Liabilities and the non-solicitation provisions with respect to the Transferred Employees; *provided*, that the Parent retains all other rights and remedies thereunder.

(c) For a period of ten (10) years following the Closing Date, the Sellers shall not, and shall cause their Affiliates and their respective directors and officers not to, disclose to any Person other than the directors, officers, employees and authorized representatives of the Purchaser and its Affiliates, or use or otherwise exploit for their benefit, any Confidential Information, except (i) pursuant to any Order, as required in any Action or as otherwise required by applicable Law, (ii) to enforce its rights and remedies under this Agreement or (iii) disclosure of Confidential Information in connection with the Chapter 11 Case shall not constitute a breach of this Section 5.15(c); *provided, however*, that in the event disclosure is required by applicable Law or in connection with the Chapter 11 Case, the Sellers shall, to the extent reasonably possible, provide the Purchaser with prompt notice of such requirement prior to making any disclosure so that the Purchaser may seek at its own cost and expense an appropriate protective order. "Confidential Information" shall mean any proprietary or confidential information to the extent related to the Business, the Acquired Assets or the Assumed Liabilities, excluding any information that (x) is (as of the Closing Date) or becomes generally available to the public other than as a result of a breach of this Section 5.15(c) or (y) becomes available to the Sellers, their Affiliates or their respective directors and officers after the Closing Date on a non-confidential basis from a source other than BH, the Purchaser or their Affiliates, provided that such source is not bound by a confidentiality agreement with or other contractual, legal or fiduciary obligation of confidentiality to BH, the Purchaser or their Affiliates or any other person with respect to such information.

Section 5.16. Payments Received. The Sellers and the Purchaser each agree that after the Closing they will hold and will promptly transfer and deliver to the other, from time to time as and when received by them or their respective Affiliates, any cash, checks with appropriate endorsements (using their best efforts not to convert such checks into cash) or other property that they may receive on or after the Closing which properly belongs to the other party hereto or its Affiliates and will account to the other for all such receipts.

Section 5.17. Use of Names and Marks. The Purchaser and its Affiliates acknowledge and agree that, notwithstanding the transfer of Intellectual Property included in the Acquired Assets, (a) the Sellers will continue using their current corporate names during the pendency of the Chapter 11 Case and any additional time during which the Sellers wind down their affairs, and (b) the Sellers shall be entitled to refer to names and marks included in the Acquired Assets in filings with Governmental Entities, for factual or historical reference and for any other purposes that do not constitute trademark infringement and are not otherwise prohibited by applicable Law.

Section 5.18. NDC Code.

(a) To the extent not transferred as part of the Acquired Assets, the Sellers hereby grant, effective as of the Closing Date, to the Purchaser (and the Purchaser's Affiliates) a royalty-free, paid-up license under the Sellers' NDC numbers used in connection with the Business to the extent necessary to allow the Purchaser and its Affiliates and their designees to market, distribute and sell the inventory acquired as part of the Acquired Assets.

(b) To the extent necessary to enable the Sellers to comply with U.S. Government Pricing and Compliance submission requirements related to the Acquired Assets, the Purchaser shall use its reasonable best efforts to provide to the Sellers the following information: (i) within twenty-five (25) days after the end of each calendar quarter, (A) the Non-Federal Average Manufacturer's Price for each Product identified by NDC, (B) the "average manufacturer price" (as defined under the Social Security Act, 42 U.S.C. Sections 1396r-8(k)(1)) and units for each Product identified by NDC and (C) the "best price" (as defined under the Social Security Act, 42 U.S.C. Sections 1396r-8(c)(1)(C)) for each Product identified by NDC, (ii) within twenty-five (25) days after the end of each calendar month, the "average manufacturer price" (as defined under the Social Security Act, 42 U.S.C. Sections 1396r-8(k)(1)) and units for each Product identified by NDC and (iii) any other information reasonably requested by the Sellers to allow the Sellers to comply with such requirements, and, in each case, a certification to the best of the Purchaser's knowledge of the accuracy and completeness thereof (subject to any updates of the information included in such certification) in all material respects, within ten (10) days after BH publicly announces its quarterly financial results; *provided*, that the Purchaser's obligations pursuant to this Section 5.18(b) shall expire thirty (30) days after the end of the calendar quarter in which the Purchaser suspends its usage of the Sellers' NDC numbers in connection with the Business.

Section 5.19. Transfer of Regulatory Matters. As promptly as practicable after the Closing, Sellers and the Purchaser shall file with the FDA and any other applicable Governmental Entity the notices and information required pursuant to any applicable regulation or requirement to transfer the Regulatory Authorizations from the Sellers to the Purchaser. The parties also agree to use all commercially reasonable efforts to take any and all other actions required by the FDA and any other applicable Governmental Entity to effect the transfer of the Regulatory Authorizations from the Sellers to the Purchaser.

Section 5.20. Takeover Statutes. The Parent shall use its reasonable best efforts (a) to take all action necessary so that no Takeover Statute is or becomes applicable to the Acquisition, and (b) if any such Takeover Statute is or becomes applicable, to take all action necessary so that the Acquisition may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to eliminate or minimize the effect of such Takeover Statute on the Acquisition.

Section 5.21. Reporting. The Sellers shall (x) deliver to the Purchaser substantially contemporaneously with its delivery to the administrative agent under the DIP Facility, all weekly cash-flow, variance and similar financial reporting required under the DIP Facility, as well as a report setting forth the inventory level (segregated by inventory category) and (y) use their reasonable best efforts to deliver to Purchaser such additional financial information with

respect to the Business and the Sellers, and on such periodic basis, as may reasonably be requested by the Purchaser.

Section 5.22. Additional Actions. None of the Sellers, BH or the Purchaser will file any pleading or take any other action in the Bankruptcy Court with respect to this Agreement or the consummation of the transactions contemplated hereby that is inconsistent with performing and carrying out the provisions of this Agreement in accordance with the terms and subject to the conditions herein; *provided, however*, that nothing contained in the foregoing will be construed to limit in any way BH or the Purchaser's rights under this Agreement, or to limit BH, the Purchaser's or the Sellers' rights to advocate for the approval of this Agreement and against any Alternative Transaction.

Section 5.23. Minimum Inventory Purchases. If, at any time during the thirty (30) days prior to the anticipated Closing Date, either Sellers, on the one hand, or BH or the Purchaser (as communicated in writing by BH or the Purchaser to the Sellers), on the other hand, reasonably believes that the amount of active pharmaceutical ingredient for the Trulance Product ("API") that will be in Inventory as of the Closing Date is less than 30.0 kilograms (the "Minimum API Quantity"), then the Sellers shall, prior to the Closing Date, purchase API up to the lesser of (x) the total amount of API held by third-party logistics warehouses and (y) the amount of API required to hold the Minimum API Quantity as of the Closing Date. If requested by BH or the Purchaser, the Sellers shall, prior to the Closing, deliver to BH and the Purchaser evidence reasonably satisfactory to BH and the Purchaser that such purchase has been made. If, at any time prior to the Closing Date, BH or the Purchaser requests in writing that the Sellers order API (including requesting delivery of existing API or placing orders for new API with the Sellers' API supplier), then (x) the Sellers will promptly make such order in the quantity requested by BH or the Purchaser (consistent with the rights of the Sellers to place such order with the Sellers' API supplier) and (y) the Cash Consideration will, at the time the Sellers make any cash payment to the Sellers' API supplier pursuant to this sentence (which will not exceed, in the case of existing API requested for delivery up to 70% of the original price therefor (not including any prepayments), and in the case of newly ordered API up to 30% of the price therefor) be automatically increased by the amount of such cash payment.

Section 5.24. DIP Facility.

(a) Each Seller shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, advisable or proper to obtain the DIP Facility, including using reasonable best efforts to: (i) negotiate and enter into the DIP Loan Documents prior to December 21, 2018; (ii) maintain in effect and enforce the DIP Facility Term Sheet and each DIP Loan Document and comply with its obligations thereunder; and (iii) satisfy on a timely basis and in a manner that will not impede the ability of the parties to consummate the Acquisition promptly at the Closing all conditions to the funding of the DIP Facility set forth in the DIP Facility Term Sheet (it being understood that all conditions to funding the DIP Facility are set forth therein). The Sellers shall give BH and the Purchaser prompt notice upon obtaining knowledge of any fact, change, event or circumstance with respect to the DIP Facility that, individually or in the aggregate, could reasonably lead to

an event of default under, or failure to fund all or any portion of, the DIP Facility, or materially impair or materially delay the Closing.

(b) The Sellers shall neither agree to nor permit any termination, amendment, replacement, supplement or other modification of, or waiver of any of its rights under, the DIP Facility Term Sheet or the DIP Loan Documents, without the prior written consent of BH and the Purchaser (not to be unreasonably withheld, conditioned or delayed).

(c) If all or any portion of the DIP Facility becomes unavailable, or any of the DIP Facility Term Sheet or the DIP Loan Documents shall be withdrawn, repudiated, terminated or rescinded for any reason, then the Sellers shall use their reasonable best efforts to arrange and obtain, as promptly as practicable, from the same and/or alternative financing sources, alternative financing and on terms, taken as a whole, not less favorable to BH and the Purchaser than the terms, taken as a whole, of the DIP Facility.

## ARTICLE VI

(a) *Approvals.* Any waiting period (and extensions thereof) applicable to the Acquisition under the HSR Act shall have expired or been terminated and any other required approvals, consents or clearances under any Antitrust Laws shall have been obtained; and

(b) *No Orders.* No Governmental Entity of competent jurisdiction shall have enacted, enforced or entered any Law and no Order shall be in effect on the Closing Date that prohibits the consummation of the Closing.

Section 6.2. Conditions Precedent to Obligation of the Sellers. The obligation of the Sellers to effect the transactions contemplated by this Agreement shall be subject to the satisfaction or waiver (to the extent permitted by applicable Law) by the Sellers at or prior to the Closing of the following conditions:

(a) *Representations and Warranties.* The representations and warranties of BH and the Purchaser contained in this Agreement shall be true and correct (disregarding any exception or qualification in such representations and warranties relating to “material” or “materiality”) as of the date hereof and as of the Closing Date as if made at and as of such date (except to the extent such representations and warranties speak as of another date, in which case such representations and warranties shall be true and correct as of such other date), except where the failure of such representations and warranties to be so true and correct (disregarding any exception or qualification in such representations and warranties relating to “material” or “materiality”) has not and would not reasonably be expected to, individually or in the aggregate,

materially impair or materially delay BH's or the Purchaser's ability to perform their respective obligations under this Agreement or to consummate the transactions contemplated hereby;

(b) *Covenants.* The covenants and obligations of BH and the Purchaser to be performed or complied with at or prior to the Closing pursuant to this Agreement shall have been duly performed and complied with in all material respects;

(c) *Sale Order.* The Bankruptcy Court shall have entered the Sale Order and such Order shall not have been stayed as of the Closing Date, stayed pending appeal, reversed or vacated; and

(d) *Officer's Certificates.* BH and the Purchaser shall have delivered to the Sellers a certificate duly executed by an authorized officer of BH and the Purchaser certifying to the effect that the conditions set forth in Section 6.2(a) and Section 6.2(b) have been satisfied.

The foregoing conditions are for the benefit of the Sellers only and accordingly the Sellers will be entitled to waive compliance with any such conditions if they see fit to do so, without prejudice to rights and remedies at Law and in equity and also without prejudice to any rights of termination or otherwise in the event of the failure to fulfill any other conditions in whole or in part.

Section 6.3. Conditions Precedent to Obligation of BH and the Purchaser. The obligation of BH and the Purchaser to effect the transactions contemplated by this Agreement shall be subject to the satisfaction or waiver (to the extent permitted by applicable Law) by BH and the Purchaser at or prior to the Closing of the following conditions:

(a) *Representations and Warranties.* (i) The representations and warranties of the Sellers contained in Sections 3.1, 3.2, 3.6(b) and 3.8 shall be true and correct in all material respects (disregarding any exception or qualification in such representations and warranties relating to "material," "materiality" or "Material Adverse Effect") as of the date hereof and as of the Closing Date as if made at and as of such date (except to the extent such representations and warranties speak as of another date, in which case such representations and warranties shall be true and correct as of such other date); (ii) the representations and warranties of the Sellers contained in Section 3.7(b) shall be true and correct in all respects as of the date hereof and as of the Closing Date as if made at and as of such date; and (iii) each of the other representations and warranties of the Sellers contained in this Agreement (other than those representations and warranties specified in clauses (i) and (ii) above) shall be true and correct in all respects (disregarding any exception or qualification in such representations and warranties relating to "material," "materiality" or "Material Adverse Effect") as of the date hereof and as of the Closing Date as if made at and as of such date (except to the extent such representations and warranties speak as of another date, in which case such representations and warranties shall be true and correct as of such other date), except where the failure of such representations and warranties in this clause (iii) to be so true and correct (disregarding any exception or qualification in such representations and warranties relating to "material," "materiality" or "Material Adverse Effect") has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect;

(b) *Covenants.* The covenants and obligations of the Sellers to be performed or complied with at or prior to the Closing pursuant to this Agreement shall have been duly performed and complied with in all material respects;

(c) *Assigned Contracts.* The Sellers shall have assigned to the Purchaser the Assigned Contracts set forth on Section 6.3(c) of the Seller Disclosure Schedule, subject to the Purchaser's provisions of adequate assurance of future performance as required under Section 365 of the Bankruptcy Code;

(d) *Sale Order.* The Bankruptcy Court shall have entered the Sale Order substantially in the form of Exhibit E attached hereto or otherwise in form and substance reasonably acceptable to BH and the Purchaser, and such Order (i) shall not have been stayed as of the Closing Date, stayed pending appeal, reversed or vacated and (ii) shall not have been amended, supplemented or otherwise modified in any manner materially adverse to BH or the Purchaser;

(e) *Inventory Levels.* As of the Closing Date, (w) the Parent shall have at least 62,302 finished packs (trade) of the Trulance Product in Inventory, (x) the Parent shall have at least 3,380,000 pills (drug product) of the Trulance Product in Inventory, (y) the Parent shall have at least the Minimum API Quantity in Inventory, and (z) the Parent shall have at least 55,000 finished packs (samples) of the Trulance Product in Inventory.

(f) *Officer's Certificates.* Each of the Sellers shall have delivered to BH and the Purchaser a certificate duly executed by an executive officer of each Seller certifying to the effect that the conditions set forth in Section 6.3(a), Section 6.3(b), and Section 6.3(e) have been satisfied.

The foregoing conditions are for the benefit of BH and the Purchaser only and accordingly BH and the Purchaser will be entitled to waive compliance with any such conditions if they see fit to do so, without prejudice to any rights and remedies at Law and in equity and also without prejudice to any of rights of termination or otherwise in the event of the failure to fulfill any other conditions in whole or in part.

Section 6.4. Concurrent Delivery. It shall be a condition of the Closing that all matters of payment and the execution and delivery of documents, in each case, at Closing by any party to the other pursuant to the terms of this Agreement shall be concurrent requirements and that nothing will be complete at the Closing until everything required as a condition precedent to the Closing has been paid, executed and delivered, as the case may be.

## ARTICLE VII

### TERMINATION

#### Section 7.1. Termination.

(a) This Agreement may be terminated by either the Purchaser or the Sellers in the event that the Closing has not occurred on or before March 11, 2019, or such later date as may be mutually agreed in writing by the parties (the "Outside Date"); *provided, however*, that

if as of such date all conditions to the Closing set forth in Article VI shall have been satisfied or waived or shall be capable of being satisfied at the Closing (but subject to the satisfaction or waiver at or prior to the Closing of all such conditions), except for Section 6.1(a) or, solely in respect of the HSR Act, Section 6.1(b), then, the Purchaser or the Parent (on behalf of the Sellers) may, by written notice to the other party, extend such date to April 10, 2019; *provided, further*, that the right to terminate this Agreement pursuant to this Section 7.1(a) shall not be available to any party whose failure to materially perform any of its obligations under this Agreement required to be performed by it at or prior to the Closing results in the failure of the Closing to occur prior to such date.

(b) This Agreement may also be terminated prior to the Closing:

(i) at any time by the mutual written agreement of the Purchaser and the Sellers;

(ii) by the Purchaser, if (x) there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of the Sellers which breach, either individually or in the aggregate with other breaches by the Sellers, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 6.3(a) or Section 6.3(b), as the case may be, or (y) there has been any material breach by the Sellers of the Bidding Procedures Order or the Sale Order, in each case which is not cured within ten (10) Business Days following written notice to the Sellers thereof (and in any event prior to the Outside Date) or which by its nature or timing cannot be cured within such time period (*provided*, that neither BH nor the Purchaser is then in material breach of any of the covenants, agreements, representations or warranties set forth in this Agreement on the part of BH or the Purchaser);

(iii) by the Sellers, if (x) there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of BH or the Purchaser which breach, either individually or in the aggregate with other breaches by BH and the Purchaser, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 6.2(a) or Section 6.2(b), as the case may be, or (y) there has been any material breach by BH or the Purchaser of the Bidding Procedures Order or the Sale Order, in each case which is not cured within ten (10) Business Days following written notice to BH and the Purchaser thereof (and in any event prior to the Outside Date) or which by its nature or timing cannot be cured within such time period (*provided*, that the Sellers are not then in material breach of any of the covenants, agreements, representations or warranties set forth in this Agreement on the part of the Sellers);

(iv) by the Purchaser, if the Sellers shall fail to file any of the DIP Motion, the Sale Motion or the Bidding Procedures Motion with the Bankruptcy Court on or prior to December 12, 2018;

(v) by the Purchaser, if the Sellers shall fail to file the Chapter 11 Case on or prior to December 12, 2018;

(vi) by the Purchaser, if the Chapter 11 Case is dismissed or converted to a liquidation proceeding under Chapter 7 of the Bankruptcy Code;

(vii) by the Purchaser, if the Bankruptcy Court enters any Order materially inconsistent with the Bidding Procedures Order, the Sale Order or the Acquisition;

(viii) by either the Sellers or the Purchaser, if a Governmental Entity issues a final, non-appealable ruling or Order permanently prohibiting the transactions contemplated hereby; *provided, however*, that the right to terminate this Agreement pursuant to this Section 7.1(b)(viii) shall not be available to any party whose breach of any of its representations, warranties, covenants or agreements contained herein results in such ruling or Order;

(ix) by the Purchaser, if any creditor of any Seller obtains a final and unstayed Order of the Bankruptcy Court granting relief from the stay to foreclose on any portion of the Acquired Assets;

(x) by either the Sellers or the Purchaser, if the Auction has occurred and the Purchaser is not the Successful Bidder;

(xi) by the Purchaser, if the Purchaser is the Successful Bidder and the Sale Hearing has not been commenced on or prior to March 1, 2019; *provided* that the failure of the Sale Hearing to commence on or prior to such time is not caused by the Purchaser's material breach of this Agreement or the Court's calendar;

(xii) by the Purchaser, if the Bankruptcy Court has not entered the Bidding Procedures Order, including approval of the Break-Up Fee and Expense Reimbursement Amount, by January 4, 2019, or if the Bidding Procedures Order has been entered by such date but is stayed, stayed pending appeal, reversed or vacated, or if such Bidding Procedures Order has been entered by such date but has been amended, supplemented or otherwise modified in any manner materially adverse to BH or the Purchaser;

(xiii) by the Purchaser, if the bid deadline has not occurred by February 23, 2019, or if the Auction is not held by February 26, 2019;

(xiv) by the Purchaser, if the Bankruptcy Court has not entered the Sale Order approving the Acquisition by Purchaser by March 1, 2019, or if such Sale Order has been entered by such date but is stayed or stayed pending appeal or has been reversed or vacated, or if such Sale Order has been entered by such date but has been amended, supplemented or otherwise modified in a manner materially adverse to BH and the Purchaser and without the prior written consent of the Purchaser;

(xv) by the Purchaser, if (A) the Bankruptcy Court fails to enter the Final DIP Order on or before January 17, 2019 and such failure results in an unwaived and uncured event of default under the DIP Facility or (B) the DIP Facility Term Sheet or the DIP Facility shall have been terminated, the DIP Lenders shall have refused to advance funds on account of the failure of any condition precedent thereto or the principal amount of the loans

thereunder shall be (or shall be asserted by the lenders thereunder to be) due and payable at any time on or prior to the Closing; or

(xvi) by the Purchaser, at any time prior to the end of the Auction (or if no Auction occurs, the Closing Date), if BH or the Purchaser determines in its good faith judgment that there is a reasonable possibility of losing continuous access to supply under, and delivery to the Sellers (prior to the Closing) or to BH and the Purchaser (after the Closing) of the goods and services purchased under, the Contracts set forth on Section 7.1(b)(xvi) of the Seller Disclosure Schedule.

For the avoidance of doubt, the parties acknowledge and agree, that in the event that the Sellers determine, in their reasonable discretion, that the last Overbid (as defined in the Bidding Procedures) submitted by the Purchaser is better than all other Qualified Bids (as defined in the Bidding Procedures) as such Qualified Bids may be amended by an Overbid submitted at the Auction, then within two (2) Business Days following the conclusion of the Auction, the Sellers, BH and the Purchaser shall enter into an amendment to this Agreement to reflect the Purchaser's last Overbid; it being acknowledged and agreed that this Agreement shall not be deemed to have been terminated by virtue of the Purchaser's not having submitted the winning bid at the Auction.

#### Section 7.2. Effect of Termination.

(a) Except as otherwise provided in this Section 7.2, in the event of termination of this Agreement by either party hereto in accordance with Section 7.1, all rights and obligations of the parties under this Agreement shall terminate without any liability of any party to any other parties hereto, except for liability for fraud or intentional breach of this Agreement prior to such termination. The provisions of Section 1.6(b)(ii), Section 1.6(b)(iii), Section 5.12, this Section 7.2 and Article VIII (other than Section 8.1, Section 8.2 and Section 8.3) shall expressly survive the termination of this Agreement.

(b) In consideration of the Purchaser and its Affiliates having expended considerable time and expense in connection with this Agreement and the negotiation thereof, and the identification and quantification of assets to be included in the Acquired Assets, and to compensate the Purchaser as a stalking-horse bidder, and regardless of whether or not the Purchaser makes any matching or competing bids at the Auction, the Sellers shall pay to the Purchaser a break-up fee in an amount equal to seven million dollars (\$7,000,000) (the "Break-Up Fee"), (x) in the event that this Agreement is terminated pursuant to (I) Section 7.1(b)(ii) or (II) Section 7.1(b)(x) and (y) in the event that this Agreement is otherwise terminated pursuant to Section 7.1(a), Section 7.1(b)(iv), Section 7.1(b)(v), Section 7.1(b)(vi), Section 7.1(b)(vii), Section 7.1(b)(ix), Section 7.1(b)(xi), Section 7.1(b)(xii), Section 7.1(b)(xiii), Section 7.1(b)(xiv), or Section 7.1(b)(xv), and within nine (9) months following the termination of this Agreement (1) any Seller enters into a definitive agreement with respect to an Alternative Transaction or (2) an Alternative Transaction shall have been consummated; such Break-Up Fee shall be due and payable (A) in the case of the foregoing clause (x)(I), within three (3) Business Days after the termination of this Agreement by BH or the Purchaser, (B) in the case of the foregoing clause (x)(II), upon the earlier of (1) the consummation of a transaction with the Successful Bidder or any Backup Bidder (as defined in the Bidding Procedures) and (2) the

thirtieth (30th) day following the conclusion of the Auction, and (C) in the case of the foregoing clause (y), upon the earlier of (1) the consummation of an Alternative Transaction and (2) the thirtieth (30th) day following any Seller's entry into a definitive agreement with respect to an Alternative Transaction. The Break-Up Fee shall, subject to Bankruptcy Court approval, be treated as an administrative expense in the Chapter 11 Case under Section 503(b)(1)(A) and Section 507(a)(2) of the Bankruptcy Code. The Sellers acknowledge and agree that: (i) the approval of the Break-Up Fee is an integral part of the transactions contemplated by this Agreement; (ii) in the absence of the Sellers' obligation to pay the Break-Up Fee, BH and the Purchaser would not have entered into this Agreement; (iii) the entry of BH and the Purchaser into this Agreement is necessary for preservation of the estate of the Sellers and is beneficial to the Sellers because, in the Sellers' business judgment, it will enhance the Sellers' ability to maximize the value of their assets for the benefit of their creditors and other stakeholders; (iv) the Break-Up Fee is reasonable in relation to the Purchaser's costs and efforts and to the magnitude of the transactions contemplated hereby and the Purchaser's lost opportunities resulting from the time spent pursuing the transactions contemplated hereby; and (v) time is of the essence with respect to the entry of the Bidding Procedures Order by the Bankruptcy Court, approving, among other things, the process by which bids may be solicited, including the Bidding Procedures. For the avoidance of doubt, the Break-Up Fee, if payable pursuant to this Section 7.2(b), shall be in addition to the return of the Deposit Funds and payment of the Expense Reimbursement Amount, in each case, to the extent payable to the Purchaser pursuant to Section 1.6(b)(iii) and Section 7.2(c), respectively.

(c) In consideration of the Purchaser and its Affiliates having expended considerable time and expense in connection with this Agreement and the negotiation thereof, and the identification and quantification of assets to be included in the Acquired Assets, upon any termination of this Agreement, other than any termination by the Sellers pursuant to Section 7.1(b)(i) or Section 7.1(b)(iii) (unless at the time of any such termination the Purchaser would have been entitled to terminate this Agreement pursuant to Section 7.1(a) or Section 7.1(b)) the Seller shall pay to the Purchaser the Expense Reimbursement Amount within five (5) Business Day after the termination of this Agreement. The Sellers acknowledge and agree that (A) the payment of the Expense Reimbursement Amount is an integral part of the transactions contemplated by this Agreement, (B) in the absence of the Sellers' obligation to make this payment, the Purchaser would not have entered into this Agreement, (C) the damages resulting from termination of this Agreement under circumstances where the Purchaser is entitled to the Expense Reimbursement Amount are uncertain and incapable of accurate calculation and that the delivery of the Expense Reimbursement Amount to the Purchaser is not a penalty, but rather shall constitute a reasonable amount that will compensate the Purchaser in the circumstances where the Purchaser is entitled to the reimbursable expenses for the efforts and resources expended and opportunities forgone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummating of the transactions contemplated thereby, and that, without these agreements, the Purchaser would not enter into this Agreement; (D) time is of the essence with respect to the payment of the Expense Reimbursement Amount and (E) the Expense Reimbursement Amount shall, subject to Bankruptcy Court approval, constitute an administrative expense of the Sellers' estates under Sections 503(b)(1)(A) and 507(a)(2) of the Bankruptcy Code. For the avoidance of doubt, the Expense Reimbursement Amount, if payable pursuant to this Section 7.2(c), shall be in addition to the Deposit Funds and

the Break-Up Fee, in each case, to the extent payable to the Purchaser pursuant to Section 1.6(b)(iii) and Section 7.2(b), respectively.

(d) Notwithstanding Section 7.2(a), the Purchaser's right to receive the one-time payment of the Break-Up Fee and/or the Expense Reimbursement Amount (as the case may be) from the Sellers as provided in Section 7.2(b) and Section 7.2(c), shall, other than in connection with fraud on the part of, or an intentional breach of this Agreement by, any Seller, (x) be the sole and exclusive remedy available to BH and the Purchaser against the Sellers or any of their respective former, current or future equityholders, directors, officers, Affiliates, agents or Representatives with respect to this Agreement and the transactions contemplated hereby in the event that this Agreement is validly terminated under circumstances in which the Break-Up Fee and/or the Expenses Reimbursement Amount (as the case may be) is due and payable, and (y) upon receipt by Purchaser of the Break-Up Fee and/or the Expense Reimbursement Amount (as the case may be), none of the Sellers or any of their respective former, current or future equityholders, directors, officers, Affiliates, agents or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby. The parties acknowledge and agree that in no event shall the Sellers be required to pay the Break-Up Fee on more than one occasion and the parties acknowledge and agree that in no event shall the Sellers be required to pay the or the Expense Reimbursement Amount on more than one occasion. If the Agreement is terminated by the Sellers pursuant to Section 7.1(b)(iii) (unless at the time of any such termination the Purchaser would have been entitled to terminate this Agreement pursuant to Section 7.1(a) or Section 7.1(b) and has given prior written notice to the Sellers of such claimed right), the Purchaser shall forfeit the Deposit Funds and any interest thereon and such amounts shall be delivered to the Sellers pursuant to Section 1.6(b). If this Agreement is terminated by the Sellers as contemplated by Section 1.6(b)(ii), other than in connection with fraud on the part of, or an intentional breach of this Agreement by, BH or the Purchaser, the receipt of the Deposit Funds shall be the sole and exclusive remedy available to the Sellers against BH or the Purchaser or any of their respective former, current or future equityholders, directors, officers, Affiliates, agents or Representatives with respect to this Agreement and the transactions contemplated hereby, and upon receipt by the Sellers of the Deposit Funds, none of BH or the Purchaser, or any of their respective former, current or future equityholders, directors, officers, Affiliates, agents or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby.

(e) If the Sellers fail to take any action necessary to cause the delivery of the Break-Up Fee and/or the Expense Reimbursement Amount under circumstances where the Purchaser is entitled to the Break-Up Fee and/or the Expense Reimbursement Amount and, in order to obtain such Break-Up Fee and/or Expense Reimbursement Amount the Purchaser commences a suit which results in a judgment in favor of the Purchaser, the Sellers shall pay to the Purchaser, in addition to the Break-Up Fee and/or the Expense Reimbursement Amount, an amount in cash equal to the costs and expenses (including attorney's fees) incurred by the Purchaser in connection with such suit.

(f) The parties acknowledge that the agreements contained in this Section 7.2 are an integral part of the transactions contemplated in this Agreement, that the damages resulting from termination of this Agreement under circumstances where the Sellers are entitled

to the Deposit Funds are uncertain and incapable of accurate calculation and that the delivery of the Deposit Funds is not a penalty but rather shall constitute liquidated damages in a reasonable amount that will compensate the Sellers in the circumstances where the Sellers are entitled to the Deposit Funds for the efforts and resources expended and opportunities forgone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, and that, without these agreements, the Sellers would not enter into this Agreement. If the Purchaser fails to take any action necessary to cause the delivery of the Deposit Funds pursuant to the Escrow Agreement under circumstances where the Sellers are entitled to the Deposit Funds and, in order to obtain such Deposit Funds the Sellers commence a suit which results in a judgment in favor of the Sellers, the Purchaser shall pay to the Sellers an amount in cash equal to the costs and expenses (including attorney's fees) incurred by the Sellers in connection with such suit.

## ARTICLE VIII

### GENERAL PROVISIONS

#### Section 8.1. Tax Matters.

(a) All sales, use, excise, transfer, documentary, stamp, value added, recordation, license, conveyance and other similar Taxes ("Transfer Taxes"), if any, imposed on or with respect to the Acquisition shall be borne fifty percent (50%) by the Purchaser and fifty percent (50%) by the Sellers and shall be paid to the appropriate Taxing Authority promptly when due by the Person having the obligation to pay such Transfer Tax under applicable Law. The party hereto responsible under applicable Law for filing a Tax Return with respect to any such Transfer Taxes shall prepare and timely file such Tax Return and promptly provide a copy of such Tax Return to the other parties. BH and Parent shall use reasonable efforts and cooperate in good faith to reduce or eliminate any Transfer Taxes to the extent permitted by applicable Law.

(b) For purposes of this Agreement, with respect to any Acquired Asset, the Sellers and the Purchaser shall apportion the liability for real and personal property Taxes, ad valorem Taxes, and similar Taxes ("Periodic Taxes") for Straddle Periods applicable to such Acquired Asset in accordance with this Section 8.1(b). The Periodic Taxes described in this Section 8.1(b) shall be apportioned between the Sellers and the Purchaser as of the Closing Date, with the Purchaser liable for that portion of the Periodic Taxes for a Straddle Period (which portion of such Taxes shall for purposes of this Agreement be deemed attributable to the Post-Closing Tax Period) equal to the Periodic Taxes for such Straddle Period *multiplied* by a fraction, the numerator of which is the number of days remaining in such Straddle Period after the Closing Date, and the denominator of which is the total number of days in such entire Straddle Period. The Sellers shall be liable for that portion of the Periodic Taxes for a Straddle Period for which the Purchaser is not liable under the preceding sentence (which portion of such Taxes shall for purposes of this Agreement be deemed attributable to the Pre-Closing Tax Period). The party hereto responsible under applicable Law for paying a Tax described in this Section 8.1(b) shall be responsible for administering the payment of such Tax. All apportionments hereunder shall be final as of the Closing Date and there will be no re-apportionments of any Periodic Taxes regardless of whether information becomes available after the Closing Date that alters the

amount of Taxes that would have been due with respect to the Straddle Period. To the extent the liability for Periodic Taxes for a certain Straddle Period is not determinable at the time of Closing or such Periodic Taxes are charged in arrears, such Periodic Taxes shall be prorated for such Straddle Period, based on the most recent ascertainable full tax year without adjustment. For purposes of this Section 8.1(b), the Straddle Period for ad valorem Taxes and real and personal property Taxes shall be the fiscal period for which such Taxes were assessed by the applicable Tax jurisdiction.

(c) The Sellers, on the one hand, or the Purchaser, on the other hand, as the case may be (the "Reimbursing Party"), shall provide reimbursement for any Tax paid by the other (the "Paying Party"), all or a portion of which is the responsibility of the Reimbursing Party in accordance with the terms of this Agreement (including this Section 8.1). Within a reasonable time prior to the payment of any such Tax, the Paying Party shall give notice to the Reimbursing Party of the Tax payable and the Paying Party's and Reimbursing Party's respective liability therefor, although failure to do so shall not relieve the Reimbursing Party from its liability hereunder except to the extent the Reimbursing Party is actually prejudiced thereby.

(d) The parties shall provide each other with such assistance as reasonably may be requested by any of them in connection with (i) the preparation of any Tax Return, (ii) the determination of any liability in respect of Taxes or the right to any refund, credit or prepayment in respect of Taxes (including pursuant to this Agreement) or (iii) any audit or other examination by any Taxing Authority, or any judicial or administrative proceeding with respect to any Taxes.

Section 8.2. Bulk Sales. The Purchaser and the Sellers hereby waive compliance with the requirements and provisions of any "bulk-transfer" or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale, conveyance, assignment or transfer of any or all of the Acquired Assets to the Purchaser.

Section 8.3. Survival of Representations, Warranties and Covenants. No representations or warranties in this Agreement or in any Ancillary Document shall survive the Closing. No covenants in this Agreement or in any Ancillary Document shall survive the Closing except (1) to the extent the terms thereof expressly contemplate performance following the Closing and (2) any covenants in Section 8.1.

Section 8.4. Public Announcements. Unless otherwise required by applicable Law or by obligations of the Sellers or the Purchaser or their respective Affiliates pursuant to any listing agreement with or rules of any securities exchange or in order to enforce a party's rights or remedies under this Agreement, the Sellers, on the one hand, and BH and the Purchaser, on the other hand, shall consult with each other before issuing any other press release or otherwise making any public statement with respect to this Agreement, the transactions contemplated hereby or the activities and operations of the other and shall not issue any such release or make any such statement without the prior written consent of the other (such consent not to be unreasonably withheld, conditioned or delayed).

Section 8.5. Notices. All notices, requests, claims, demands or other communications hereunder shall be deemed to have been duly given and made if in writing and (a) at the time personally delivered if served by personal delivery upon the party hereto for whom it is intended, (b) at the time received if delivered by registered or certified mail (postage prepaid, return receipt requested) or by a national courier service (delivery of which is confirmed), or (c) upon confirmation if sent by facsimile or email; in each case to the Person at the address set forth below, or such other address as may be designated in writing hereafter, in the same manner, by such Person:
